4PM - Tracker Organ Concert - Featuring Alexander Pattavina
Alexander Pattavina, a fourth-year undergraduate student of Paul Jacobs at The Juilliard School (NYC), is this year's artist for the seventeenth annual tracker concert at Hampton Congregational Church. The instrument, built in 1836, is the oldest pipe organ in Connecticut still being used regularly. Concert date is Sunday, October 29th at 4 pm. There is no charge, only a free will offering at the door. The church address is 263 Main Street (Route 97) in Hampton. Refreshments will follow the program.
